

## Party Favour Menu

Your party favours will be delivered to Explore and Play on the day of the party. We will liaise with you and Explore and Play to ensure the options you choose meet your needs. All favours come in a cotton bag that is a keepsake containing a toy that is planet-friendly and a quality item that can be treasured.

We can add a personalised thank you gift tag at your request or we can supply the tags for you to personalise and add to the bags yourself.
